

## Ultimate Martial Arts Child Safety and Protection Policies and Procedures

### **PURPOSE**

Foundational to all we do at Ultimate Martial Arts (UMA), we seek to continually express our core values of growth, health and learning through the study and practice of martial arts. In light of these values, UMA is committed to being a safe place for all people.

This Code of Conduct sets out the behaviour that UMA expects from all representatives, including staff, instructors, leaders and volunteers. All representatives are required to read and sign the Code of Conduct and adhere to it for the duration of their association with UMA. UMA representatives are also expected to respect and uphold the vision, mission and values of UMA.

While the expectations of this Code of Conduct are designed to guide representatives in their behaviour, they cannot detail every situation that representatives may come across in their role with UMA. This code supposes a level of maturity, wisdom and common sense in all situations and expects that representatives will act in a courteous, reasonable and respectful manner at all times.
